The Legend of Heroes: Trails of Cold Steel III will see the return of the classic The Legend of Heroes: Trails of Cold Steel story as well as more of the original story content from the first and second Trails games. The returning heroes of The Legend of Heroes: Trails of Cold Steel III include the likes of Emil Czarnecki (The Legend of Heroes: Trails of Cold Steel) and Aveline de Grandpré (The Legend of Heroes: Trails of Cold Steel II). New to The Legend of Heroes: Trails of Cold Steel III will be Caius Ballad (The Legend of Heroes: Trails of Cold Steel) and his comrade Robin Arcus (The Legend of Heroes: Trails of Cold Steel). * KINGDOM OF THE LAND OF HOPE The Legend of Heroes: Trails of Cold Steel III begins the story of Héliendia Hocheisen, a future land that has been ravaged by the political infighting between the East and West Kingdoms and by the dark power of the Void. Only one man, Cecil, can unify the lands, but that man's fate will be decided by a small number of people, among them the new protagonist of The Legend of Heroes: Trails of Cold Steel III. * THE HEROES WILL BE CALLED For the first time in this series, The Legend of Heroes: Trails of Cold Steel III will have the heroes from The Legend of Heroes: Trails of Cold Steel that were not present in the previous two games. The Crown Prince of the West Kingdom who is their friend/rival, Emil Czarnecki, and his comrade and partner, Aveline de Grandpré, will be your allies! * CAST THE BLOODLUSTS OF WAR The Legend of Heroes: Trails of Cold Steel III will take place in a world that has descended into war. Its characters will be forced to shoulder the heavy burden of this so-called world peace, raising the question of whether a nation is worth fighting for and protecting. How the people who live in this devastated world react to the returning heroes will reveal the identities of the final characters. {.123} {.124} {
